

Once again you have shown your thoughtfulness by donating 131 pounds of food to the Sharing Place food bank. The cart was full to overflowing as we unpacked your gifts.

Although the TOP NEEDED ITEMS, canned soups and other canned goods, are weighty. There are items like cereal which are more impactful. For that reason we will not be focusing on our overall weights this year. We will continue to be given our weights, however; they will not be essential in the overall consideration.

Thank you again for being such an important part of this valuable community outreach program.
